CONTINUOUS EVOLUTION

KLEOS was born from the ambition to renew and evolve the pneumatic sprayer for the modern farmer needs.

"From what started as a simple ambition the first machine came to life, then from users advices came the next ones, and in future many other will come, continuing the evolution".

Evolution means never stopping and keeping delivering modern solutions to achieve modern farmer goals.

PORTED SPRAYER MG 200 P

**PNEUMATIC COMPACT SPRAYERS
FOR SMALL VINEYARDS
AND ORCHARDS** **200 LT**
SUITABLE FOR SMALLER TRACTORS

Polyethylene 200lt tank
Centrifugal pump KLEOS made with high resistance plastic polymers, pump capacity 170lt/min, Low pressure work up to 3 bar.
Sand blasted and powder coated chassis.
Welded aluminum alloy fan \varnothing 400mm
2 speed gearbox with disengagement
Manual control unit stainless steel
Manual pressure regulator
Stainless steel bolting and hose clamps
Continental® hosing
Clean water tank

VERSION	DIMENSIONS (WxDxH)	WEIGHT (kg)	MIN HP	VOLUME (LT)
MG 200 P	890x470*1270	188	30	200

PORTED SPRAYER MG 400 P

PROFESSIONAL PNEUMATIC SPRAYER FOR VINEYARDS, ORCHARDS 400/600 LT

Polyethylene 400lt or 600lt tank
 Centrifugal pump KLEOS made with high resistance plastic polymers, pump capacity 170lt/min, Low pressure work up to 3 bar.
 Sand blasted and powder coated chassis.
 Welded aluminum alloy fan ø500mm with Bondioli centrifugal clutch, 2 speed Bondioli gearbox with disengagement
 Electric ARAG pressure regulator and section valves, stainless steel bolting and hose clamps
 Continental® hosing
 Compatible with ARAG Bravo up to 400s for proportional dosing and navigation
 4.0 ready machine
 Clean water tank & rinsing tank

VERSION	WxDxH (mm)	WEIGHT (kg)	MIN HP	VOLUME (LT)
MG 400 P CLASSIC	910x1100x1100	350	60	400
MG 400 P TOP	910x1100x2300	380	60	400
MG 600 P CLASSIC	910x1100x1350	380	60	600
MG 600 P TOP	910x1100x2300	410	60	600

PORTED SPRAYER MG 400 TOP

**PROFESSIONAL PNEUMATIC SPRAYER
FOR VINEYARDS AND ORCHARDS WITH DUAL OUTLETS
400/600 LT**

TRAILED SPRAYER MG 600 C

**ATOMIZZATORE PNEUMATICO
